Confessions of Witches in England

During the witch trials in England, _____ played a crucial role. Many people believed that witches could harm others through _____. The fear of witches was widespread in the 16th and 17th centuries. People thought that _____ made pacts with the devil. These pacts supposedly granted them _____ to do evil.

Confessions were often obtained under _____. Accused witches were forced to admit to crimes they didn't commit. The _____ believed that torture would reveal the truth. However, many innocent _____ confessed to witchcraft to stop the pain.

These confessions were used as _____ in trials. Once a confession was made, it was hard to prove innocence. The _____ often turned against the accused. Friends and neighbors would give _____ against them. This created a cycle of fear and suspicion.

The _____ themselves were unfair. Judges and juries were biased against the accused. The legal _____ was not designed to protect the innocent. Instead, it aimed to rid _____ of supposed witches. Many people were executed based on false confessions and _____.

Witchcraft confessions had a lasting impact on society. They fueled paranoia and _____ among people. The witch trials in England are a dark chapter in history, showing the dangers of mass hysteria and _____.

injustice trials testimonies authorities society magic powers
confessions system torture evidence people accusations community
mistrust witches
