Early British Literature

Tasks:

1. Write the words in the correct gaps!
2. Scan the QR code to check if everything is correct!
3. Copy the text again in your notebook without any mistakes!

Early British literature, a fascinating journey into the past, begins with the ancient _____. These mystical storytellers, poets, and bards played a crucial role in shaping the earliest forms of British narrative. Among their most famous contributions is the legend of _____, a timeless tale blending history and myth. Following the Celts, the _____ brought a new wave of literature. Their most renowned work, _____, is an epic poem telling the story of a heroic warrior battling monstrous creatures. This era also saw the emergence of _____ and elegies, reflecting the Anglo-Saxons' love for language play and contemplation of life's complexities.

The _____ in 1066 marked a significant shift in British literature. French influences merged with the existing Anglo-Saxon traditions, leading to a diverse literary landscape. During the _____, Geoffrey _____ emerged as a pivotal figure. His _____, a collection of stories told by pilgrims, is celebrated for its humor and social commentary.

The late medieval period introduced _____, religious dramas that depicted biblical stories and saints' lives. These plays were important in making literature accessible to a wider public. Another key literary form of this time was the _____, a type of narrative song or poem that often told stories of love, tragedy, or heroism.

The Renaissance, a time of cultural rebirth, saw a dramatic transformation in British literature. Figures like William _____ and Christopher _____ revolutionized drama and poetry, introducing complex characters and exploring human emotions in depth. Shakespeare's plays, including tragedies like _____ and comedies like Midsummer _____, remain cornerstones of English literature. This era's exploration of human experience laid the groundwork for the rich literary tradition that followed, marking an end to early British literature and the beginning of a new chapter in the history of English letters.
