Freedom to Believe

The Pilgrims were a group of English people who sought religious _____.

They believed the Church of England was corrupt and wanted to practice their faith freely. In 1620, they sailed on the _____ to the New World. Their destination was Virginia, but they landed in what is now _____, founding Plymouth Colony.

The journey was long and hard. Many Pilgrims got sick. Despite these _____, they remained determined to find a place where they could worship without persecution. Upon arrival, they encountered the _____ people. The Pilgrims formed a peace treaty with them, which was crucial for their survival. In _____, the Pilgrims established a community based on their religious beliefs. They held _____ services in their homes and later built a meeting house. Their laws and daily life were deeply influenced by their _____. Religious freedom was a core principle of their society, and they wanted to ensure everyone could practice their beliefs.

The Pilgrims' _____ for religious freedom inspired many others. It became a cornerstone for the foundation of the United _____. Over time, Plymouth Colony grew and more settlers arrived, also seeking religious freedom. The _____ of the Pilgrims lives on, reminding us of the importance of being able to follow our faith.

Today, religious freedom is considered a fundamental human _____. The Pilgrims' experience shows how crucial it is to protect this freedom. Without it, they could not have created their new _____ in Plymouth. Their story is a testament to the power of faith and the desire for a life free from religious _____.
