Joan of Arc

Joan of Arc, a young _____ girl from Domrémy in France, claimed to hear voices of saints instructing her to support _____ VII and help France to regain its freedom from English domination during the Hundred Years' _____. At the age of 16, she convinced the local garrison commander to escort her to the _____ court, where she impressed Charles VII and was given a small army. In 1429, she lifted the _____ of Orléans, which was a turning point in the war. Her strategy involved bold _____ and the use of inspiration and symbolism to boost the morale of her _____. Despite being a woman in a male-dominated era, Joan's leadership was _____ in several other victories. However, her capture by Burgundian forces led to her trial and execution by the English for _____. Years later, Charles VII cleared her name, and she was canonized as a _____ by the Catholic Church in 1920. Joan's legacy as a fearless leader and a symbol of _____ unity and nationalism continues to inspire people around the world. Her story is a testament to the power of _____, courage, and the indomitable human spirit to overcome seemingly insurmountable _____.
