Norman Influence on English Culture

Tasks:

1. Write the words in the correct gaps!
2. Scan the QR code to check if everything is correct!
3. Copy the text again in your notebook without any mistakes!

The Norman Conquest of _____ in 1066 was a pivotal moment in history. It led to significant changes in the _____ culture, language, and social structure. The Normans, originally from _____ in France, brought with them a new feudal system. This system reorganized land ownership and social hierarchy. The _____ became the ultimate authority, with lords and nobles beneath him. The Normans also influenced the _____. French became the language of the court, the law, and the upper classes, while Old English remained the _____ of the common people. Over time, these two languages merged, forming the basis of Modern _____. Another notable impact was on architecture. The Normans introduced the Romanesque style, evident in the grand _____ and cathedrals they built. They were also responsible for introducing new _____ and judicial practices, some of which are still in use today. The cultural exchange between the _____ and the Anglo-Saxons led to a rich blending of traditions. This blending is evident in _____, literature, and cuisine, making the Norman influence a cornerstone of English _____.
