The Arthurian Legend

Tasks:

1. Write the words in the correct gaps!
2. Scan the QR code to check if everything is correct!
3. Copy the text again in your notebook without any mistakes!

The _____ legend is a collection of stories and myths about King Arthur, a legendary British leader. He is said to have defended _____ against Saxon invaders in the late 5th and early 6th centuries. The most famous story about King Arthur is his leadership of the _____ of the Round Table. These knights were known for their chivalry, bravery, and quests for the Holy _____. Among them was Sir Lancelot, one of the most skilled _____ in Arthur's court.

Arthur's story also includes the wise wizard _____, who acted as his advisor. Another key figure is Guinevere, Arthur's _____, whose affair with Sir Lancelot leads to the downfall of Camelot. The legend states that Arthur wielded a magical sword, _____, which he received from the Lady of the Lake. This sword symbolized his right to rule and his invincibility in _____. The tales of Arthur's birth, life, and death are shrouded in _____. Many stories tell of his mysterious conception at _____ Castle and his final battle at Camlann, where he was mortally wounded. According to legend, he was taken to Avalon to heal, leading to the belief that Arthur would one day return to _____ his people again.

Over the centuries, these stories have been embellished and rewritten, often reflecting the values and concerns of the time. Despite the lack of concrete historical evidence for Arthur's existence, his legend continues to captivate the _____ of people around the world.

Excalibur	mystery	Grail	imagination	queen	Knights	battle	save
